PROFILE SUMMARY

Aspiring Machine Learning Engineer with hands-on experience in building end-to-end machine learning models using Python and Scikit-learn. Strong foundation in data preprocessing, feature engineering, handling imbalanced datasets, model training, evaluation, and deployment using Flask. Passionate about applying predictive modeling techniques to solve real-world problems and seeking an entry-level ML role.

SKILLS

Machine Learning:

- Supervised Learning (Classification, Regression)
- Feature Engineering & Scaling
- Handling Imbalanced Datasets
- Logistic Regression, Decision Tree, Random Forest
- Model Evaluation (Accuracy, Precision, Recall, F1-score), Confusion Matrix

Python & Libraries:

- Python, Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn

Data & Tools:

- SQL (Basics), Flask (Model Deployment), Git & GitHub, Jupyter Notebook

MACHINE LEARNING PROJECTS:

Credit Risk & Loan Default Prediction

- Developed a machine learning classification model to predict loan default risk using historical customer data.
- Performed data cleaning, missing value treatment, label encoding, and feature scaling.
- Addressed class imbalance to improve model reliability.
- Trained and evaluated models using Logistic Regression and Random Forest.
- Assessed performance using accuracy, precision, recall, and confusion matrix.
- Visualized model results and deployed the prediction system using Flask.

Find Your Car

- Built a web-based recommendation system that suggests cars based on user budget, fuel type, and seating capacity.
- Implemented data filtering and preprocessing using Pandas.
- Integrated backend logic with Flask and displayed results using a responsive UI.
- Strengthened understanding of real-world data handling and rule-based prediction logic.

More projects available at my portfolio

ACADEMIC HISTORY

Course	College/Institution	Board/University	YOP	CGPA/%
Core AI	Nearlearn		2025	-
BTech In CSE	Parul Institute of Technology	Parul University, Vadodara	2025	7.48
Diploma In CSE	Parul Institute of Technology	Parul University, Vadodara	2022	7.97
